ABOUT US

B-ne Innovations Limited is a forward-thinking technology company committed to transforming how individuals and businesses leverage digital solutions. Founded in 2023 as Musonda Tech, the company underwent a strategic rebrand in 2025 to B-ne Innovations Limited, reflecting an expanded vision and a growing portfolio of innovative, technology-driven services.

Headquartered in Kitwe, Zambia, B-ne Innovations Limited offers a wide range of solutions, including free classified ads (B-ne Zambia), ICT consultancy, cybersecurity, network design and management, remote IT support, and software development. Our mission is to bridge digital gaps and empower both public and private sector organizations to thrive in today's technology-driven world.

We take pride in delivering user-centered solutions — whether it's connecting buyers and sellers, securing digital infrastructures, or helping institutions adopt modern IT systems. At B-ne Innovations, we're not just developing technology; we're building trust, driving impact, and creating a sustainable, future-ready digital ecosystem

OUR MISSION

To empower businesses with cutting-edge, custom-tailored IT solutions that drive digital transformation, improve operational efficiency, and foster sustainable growth.

OUR VISION

To be the leading provider of innovative and reliable IT services, recognized for transforming businesses through exceptional technology solutions and unparalleled client support.

OUR CORE VALUES

Innovation

Continuously delivering advanced and forward-thinking technology solutions.

Customer Focus

Building strong partnerships by prioritizing client needs and exceeding expectations.

Integrity

Maintaining honesty, transparency, and ethical practices in every engagement.

Excellence

Striving for exceptional results through precision, quality, and commitment.

Collaboration

Fostering teamwork and partnerships to achieve shared goals and success

WHY CHOOSE US

We base our relationship on the core values of Innovation, Integrity and Trust. We are committed to attaining one hundred percent customer satisfaction by offering superior and customer friendly services. With B-ne Innovation Ltd you have a proven swift Services provider who can get you ready to meet your IT Challenges and needs. You can leverage us as a consulting, solution, training, integration and/ or technology partner - to innovate, automate, install, troubleshoot, build and accelerate solutions against your toughest IT challenges. Besides our Values, below are the qualities that are in our DNA and that pushes us to deliver high quality services.

Customized IT Solutions

Proven Expertise Our team of skilled professionals brings years of experience across system development, It infrastructure, cybersecurity, and digital transformation..

Innovative Mindset

We stay ahead of trends, integrating the latest technologies to help you stay competitive in a rapidly evolving digital landscape.

Tailored Solutions

We don't believe in one size fits all. Every project we handle is customized to fit your unique goals and operational needs.

Reliable Support

Our relationship doesn't end at project delivery. We provide continuous support and maintenance to ensure your systems run efficiently.

Commitment to Quality

From design to deployment, we maintain the highest standards to ensure that every solution we deliver performs seamlessly and securely.

Client-Centered Approach

Your success is our priority. We listen, collaborate, and work hand-in-hand with you to achieve lasting results.

OUR SERVICES
